B.Tech in Computer Science Engineering. 2021 – 07/2025 | Karimnagar , India
Vaageswari College of Engineering

Intermediate Education (MPC) 2018 – 05/2020 | Warangal , India
SR Junior College

Secondary School Education 2018 | Warangal , India
National High School

PROJECTS

QR-Based Staff Attendance Management System

Built using Java , HTML , CSS , MySQL

- Developed a QR-based attendance system that allows users to mark attendance by scanning a unique QR code. Built a secure and efficient backend to store and verify attendance records in real time.

Forecasting Multi-Candidate Election Results via Social Network Analysis

Built using Java, HTML, CSS, MySQL

- Developed a predictive model for complex elections using a new 'Minimal Influence Gap' metric, successfully validating voting outcomes across diverse social network structures.

CO-CURRICULUM ACTIVITIES

- Participated in **technical seminars** related to emerging technologies and industry trends.
- Volunteered in **Smart India Hackathon**, contributing to event coordination and supporting participants throughout the competition.
